THE ARTIST ■ TECHNO / ELECTRONIC ■ RESIDENT DJ & MUSIC PROGRAMMER

Scott Jordan, known on lineups as Scotty, is a techno and electronic music DJ based in Kolkata, India. Self-taught, he grew up on a wide diet of music, from retro and rock to country and old-school hip hop, and first got his hands on a DJ mixer at twelve.

He has spent nine years as a resident DJ and music programmer, including four years at Roxy and a year at Aqua, both at The Park, with further residencies at Phoenix (The Astor), Wykiki (Swissôtel), Cheap Charlie,

Zobet and One8 Commune, all in Kolkata. Festival sets include DUSK, Sunset Anthem, G.O.D. and Highway Music Festival, with club nights from Siliguri and Shillong to Mumbai, Delhi and Bangalore.

His sets are about mood and a deep, hypnotic groove, built patiently over four hours or more: tracks that move you before you notice, whatever their genre, tempo or release date.
